Agreement

The Max-Planck-Institute for Informatics ("MPII") provides access to the Euro-PVI ("Dataset") under the following conditions.

By signing, the researcher agrees to the following:

1. MPII makes no warranties regarding the Dataset, including but not limited to being up-to-date, correct or complete. MPII cannot be held liable for providing access to the Dataset or usage of the Dataset.

2. The Dataset is only being used for scientific or research purposes. Any other use, such as for commercial purposes is explicitly prohibited.

3. The Dataset or modified versions of it cannot be shared or distributed. It is permissible to distribute derivative works in as far as they are abstract representations of this Dataset (such as models trained on it or additional annotations that do not directly include any of our data) and do not allow to recover the dataset or something similar in character.

4. The researcher takes full responsibility for usage of the Dataset and processing the Dataset.

5. The researcher warrants to implement appropriate technical and organization measures, in order to ensure a sufficient level of security for the storage and processing of the Dataset.

6. The researcher shall indemnify MPII in respect of all costs, claims, losses, expenses or damage arising as a result of the researcher failing to comply with its obligations under this Agreement.

7. MPII reserves the right to terminate the researcher's access to the Dataset at any time.

8. MPII and neither of its business partners who have supported the development of the Dataset, will be liable for any direct, indirect, incidental, special, consequential or exemplary damages, or cost of procurement of substitute services, or damages for loss of revenue, profits, goodwill, use, data or other intangible losses (even if MPII has been advised of the possibility of such damages), resulting from the use of or inability to use the Dataset.

10. The place of jurisdiction is Saarbrücken, Germany.

11. If any part of this agreement is legally invalid, this shall not affect the remaining agreement.
